SUMMARY

Experienced Full Stack Software Developer with expertise in MERN stack, RESTful APIs, focused on building impactful, user-centric solutions. Strong problem-solving skills and a proven track record in tech competitions.

EDUCATION

| Degree | Institute | Board/University | CGPA/Percentage | Year |
|------------------|--|------------------|---------------------|-----------|
| B. Tech, CSE | Maharaja Agrasen Institute of Technology | GGSIU | 8.53 (Till 5th Sem) | 2022-2026 |
| Senior Secondary | Bal Bharati Public School, Rohini | CBSE | 91% | 2022 |
| Matriculation | Bal Bharati Public School, Rohini | CBSE | 92.6% | 2020 |

EXPERIENCE

M.S. FURNITURE (gidichairs.in) August - October 2024
Full Stack Developer Intern

- Engineered a robust e-commerce platform using the MERN stack, enhancing user engagement with seamless navigation.
- Created a responsive frontend with Vite, implemented RESTful APIs for efficient data management, and leveraged Java for backend enhancements.
- Built an admin panel for product management and handled deployment and DNS configuration.

PLASMID May - July 2024
Web Developer Intern

- Designed and deployed two web projects, enhancing the company’s online presence and user engagement, while strengthening skills in UI/UX design, HTML, CSS, and JavaScript.
- Used Git and Netlify for efficient project management and seamless collaboration.

PROJECTS

E-Commerce Platform

- Built a MERN stack e-commerce platform with JWT authentication, a dynamic cart, and secure checkout. Integrated Cloudinary for media storage, an admin dashboard for inventory management, and implemented Java-based backend optimizations. Deployed via Vercel & Render with GitHub version control.

Finance Budgeting App

- Built a MERN stack budgeting platform with AI-driven expense categorization for automated tracking. Designed an intuitive React UI with Tailwind CSS and Framer Motion, featuring real-time data visualization for instant financial insights.

Chat-application

- Developed a responsive real-time chat app using the MERN stack, integrating Socket.IO for live updates, Cloudinary for media sharing, and secure user authentication with online user filters and 32 customizable DaisyUI themes. Deployed on Render, optimized API performance with Postman, ensuring seamless scalability and real-time communication.

TECHNICAL SKILLS

Languages: Java (Proficient), Python (Intermediate), JavaScript (Proficient), C/C++, HTML, CSS
Frameworks and Libraries: NodeJS (Proficient), Express.js (Proficient), React (Proficient), Bootstrap, Socket.io, jQuery
Tools and Databases: MongoDB(Proficient), Git/Github (Proficient), MySQL(Intermediate), Figma (Intermediate), Canva (Proficient), VS Code, GoDaddy, Cloudinary, Vercel, Netlify, Render, EmailJS
Key Skills: Restful APIs (Proficient), Authentication (JWT), DSA
Certificates and Courses: Data Structures and Algorithms and Basic of Java, Web Development, Machine Learning, Basic in C++

ACHIEVEMENTS

- 1st Position** - “PitchYourIdea” Summit 2023 (MAIT) | Presented an innovative EV adapter concept, securing a ₹11,000 cash prize.
- 2nd Position** - HackwithMAIT 4.0 (MAIT) | Ranked among the top out of 220 teams from 46 colleges.
- 1st Position** - Envisage’24 (MSIT) | Won the competition, surpassing 152 participants.
- 1st Position** - Blueprint (IITD) | Triumphed over 1,495 registrations.
- 1st Position** - Innovation Mela (MAIT) | Recieved the Innovation Catalyst Award for groundbreaking idea.

EXTRA - CURRICULAR / RESPONSIBILITIES

TEDxMAIT 2024-2025

Organzing Committee - Senior Coordinator

- Spearheaded event design and management for TEDxMAIT, creating an immersive experience through branding, stage design, and decorations while coordinating logistics for seamless execution.

HackwithMAIT 4.0, HackwithMAIT 5.0 2023-2025

Organzing Committee - Coordinator

- Coordinated HackWithMAIT, overseeing event execution from planning to management. Led design efforts for branding and promotions while handling video editing for highlights and participant showcases.

TechCom 2023-2025

Coordinator

- Coordinator at TechCom, the Official Technical Society of CSE department organizing technical events, and workshops to foster student innovation. Directed event management, design, and video editing for key events, ensuring seamless execution and engagement.
